

## **Frank Dawson**

Jenny Hoska

Frank E. Dawson lists his Home of Record as California.

On countless occasions I have sought out information on a deceased veteran by the name of Frank E. Dawson.. With no birth date, place of residence or next of kin contacts I have been able to find a death date and a burial location.

He rests in peace at the Henri-Chapelle American Cemetery at Henri-Chapelle, Belgium and is located, Plot G, Row 14, Grave #37. Private First Class of the U.S. Army, and died on December 13, 1944. His service number was 39727556.

He was assigned to the 60<sup>th</sup> Infantry Regiment, 9<sup>th</sup> Infantry Division and has received the Purple Heart award.

I went back to the library in order to search the Star News on microfilm. I went through the Star News from Dec. 1944 to Feb 1945. Unable to find an obituary I had given up. Just recently I have gotten a hold of Steve Arends and unfortunately he didn't have any additional useful information besides a death date. Although he did give me Frank Dawson's VA file number ( VA# 03-793-868) .

He was awarded the Purple Heart.
